Ofsaa Alumni Scholarships

Last year OFSAA launched the OFSAA Alumni Association so that former teacher-coaches and student-athletes could maintain a connection with their former colleagues. The creation of this association also provided an opportunity to initiate several scholarships for student-athletes who attend a Canadian post-secondary institution upon graduation. The scholarship recipients must meet certain criteria, and will be selected from member Associations on a rotational basis, ensuring that students, male and female, from all areas of the province will benefit from these scholarships. In 2004, four such scholarships were presented. Check this website for a writeup on these recipients!

The OFSAA scholarships are funded by donations from members of the Alumni Association and from **donations by current teacher-coaches and other welcome supporters**. The more donations received, the more scholarships we can offer. We encourage you, as a current teacher-coach, to get behind this venture by contributing to the "OFSAA Scholarship Fund". All donations will be appreciated and **all monies go into the scholarship fund**. **Charitable receipts will be issued for all donations of \$10.00 or more**

To donate, complete the following form and submit it with your cheque, (payable to OFSAA) directly to the OFSAA office, 1185 Eglinton Ave. East, Suite 409, Toronto, ON. M3C 3C6
